C9300/C9500 CCS

C9300/C9500 CCS

a complete printing solution

The C9300/C9500 CCS is a high speed printing, finishing and copying solution for medium and large workgroups. As a printer and scancopier it can provide high quality A3 and A4 mono and colour copying at a cost far below a standard copier. It significantly increases office output by producing high quality multi-page copies at 30 pages per minute (ppm) colour and 37ppm mono. Its finisher further improves output by offering full control and management of printed documents stacking large volume jobs, hole-punching and stapling with no loss of speed. Furthermore, it is easy to use.

main features of the C9300/C9500 CCS

- Significantly increases the flexibility of the C9000 Series printer by providing full A4 and A3 colour and mono copy functionality
- Excels at multi-copying with 30 colour ppm from a single document
- High quality colour and mono text and photocopying ideal for the office
- Can print a 15 page colour, double-sided, hole-punched, stapled A4 document in 1 minute
- Handles wide range of paper types up to 200gsm
- Support full printer speed 30ppm colour, 37ppm mono
- Provides paper stacking facility of up to 1,100 sheets, providing a total paper output, including printer, of 1,600 sheets

The C9300/C9500 CCS is the complete printing solution for medium and large workgroups.
